

REGISTRATION FEE DETAILS

The participants are requested to pay the registration fee as mentioned and fill in the registration form in the link provided below

Registration Link: <https://forms.gle/J9RtNmodwSRh1NtP6>

Participants	Registration On or before 10.07.2023 (Rs.)	Spot Registration on 14.07.2023 (Rs.)
Research Scholars/Students	1000	1500
Faculty from PSG Institutions	1000	2000
Faculty from other Institutions / Scientists	1500	2000
Accompanying person	1000	1500
Industry Representatives	2500	3000
Foreign Participants	50 USD	100 USD

The registration fee shall be made through IMPS/RTGS/NEFT

Account Details

Bank Name : CENTRAL BANK OF INDIA
Account Name : PSG College of Arts & Science
Branch Name : KALAPATTI BRANCH
Account No. : 1630446199
IFSC Code : CBIN0282057

Registration fee includes registration kit, lunch and refreshments.

IMPORTANT DATES

Abstract submission last date : 5th July 2023
Acceptance of Abstract : 6th July 2023
Registration last date : 10th July 2023
Full length papers submission last date : 10th July 2023

SCIENTIFIC ADVISORY COMMITTEE

Dr. Esther F Myers, Director, Nutrition Care Professionals, IAAND, Illinois, USA
Dr. Chinnadurai Mani, Texas Tech University Health Science Centre, Texas, USA
Dr. Rajasekaran Soorappan, University of Alabama, Birmingham, USA
Dr. Shen Ming Chen, National Taipei University of Technology, Taipei, Taiwan
Dr. Itthipon Jeerappan, Prince of Songkla University, Songkla, Thailand
Dr. Soundappan Thiyagarajan, Navajo Technical University, Crownpoint, USA
Dr. Mathieu G. Sertorio, University of Cincinnati, Cincinnati, USA
Dr. Chandrika U Gamage, University of Sri Jayewardenepura, Nugegoda, Sri Lanka
Prof. M. Padmavati, Rajiv Gandhi School of IP Law, IIT Kharagpur, West Bengal
Dr. Sabarinathan Radhakrishnan, NCBS, TIFR, Bangalore, Karnataka, India
Dr. Prasada Raju, R&D Advisor, PSG Institutions, Coimbatore, Tamilnadu
Dr. K. Kathirvelu, DRDO-BU Centre for Life Science, Coimbatore, Tamilnadu
Dr. R. K. Shakhthidevan, Senior Scientist, Syngene International, Bangalore, Karnataka.
Dr. K. M. Kumar, Associate Professor, Pondicherry University, Puducherry
Dr. Wilson Aruni, Vice Chancellor, Amity University, Mumbai, Maharashtra

Awards will be presented for the meritorious oral and poster presentations

ORGANIZING COMMITTEE

Chief Patron : **Shri. L. Gopalakrishnan**, Managing Trustee, PSG & Son's Charities
Patron : **Dr. T. Kannaian**, Secretary
Chairperson & Convener : **Dr. D. Brindha**, Principal
Organizing Secretaries : **Dr. B. Ramesh**, Dept. of Biochemistry
Dr. J. Senthilkumar, Dept. of Biotechnology
Joint Organizing Secretaries : **Dr. S. Radhai Sri**, Dept. of Food Processing Technology
Dr. D. Victor Arokiadoss, Dept. of Biochemistry
Dr. M. Senguttuvan, Dept. of Zoology
Dr. L. Uthira, Dept. of Nutrition & Dietetics
Dr. N. Krishnaveni, Dept. of Microbiology
Organizing Coordinators : **Dr. S. Mohandass**, Dept. of Biochemistry
Dr. D. Santhi, Dept. of Clinical Nutrition
Dr. S. Dhanakumar, Dept. of Environmental Science
Dr. K. Syed Ibrahim, Dept. of Biotechnology

ORGANIZING COMMITTEE MEMBERS

Dr. P. Muthukrishnan, Department of Microbiology
Dr. R. Vijayaraghavan, Department Microbiology
Dr. M. Thamaraiselvi, Department of Food Processing Technology
Dr. N. Shanmugapriya, Department of Botany
Dr. R. Prabakaran, Department of Botany
Dr. K. M. Sakthivel, Department of Biochemistry
Dr. V. Krishnaprabha, Department of Nutrition and Dietetics
Dr. N. Geetha, Department of Zoology
Dr. P. Rajiv, Department of Biotechnology
Dr. S. Saikumar, Department of Botany

Dr. D. BRINDHA

CONVENOR - ICRIHBS2023
PROFESSOR & PRINCIPAL
PSG COLLEGE OF ARTS & SCIENCE
CIVIL AERODROME POST,
COIMBATORE - 641 014
TAMILNADU, INDIA

Since 1947

PSG COLLEGE OF ARTS & SCIENCE

An Autonomous College - Affiliated to Bharathiar University
Accredited with 'A' Grade by NAAC (4th cycle)
College with Potential for Excellence (Status Awarded by the UGC)
Star College Status Awarded by DBT-MST
An ISO 9001: 2015 Certified Institution
Coimbatore- 641014, Tamil Nadu, India.

INTERNATIONAL CONFERENCE ON RECENT INNOVATIONS IN HEALTH & BIOLOGICAL SCIENCES

ICRIHBS 2023

14th & 15th July, 2023

ABOUT US

PSG College of Arts & Science was established in the year 1947 by the PSG & Sons' Charities Trust with a mission to set education on a noble perch accessible to all in pursuit of knowledge and world class education. The College embodies a rich tradition of excellence in teaching & research, thus infused dynamism and knowledge to numerous learners over several decades with utmost commitment. The College is NAAC accredited with A++ grade (4th cycle), ISO certified, ranked 20th by NIRF 2023 and is the recipient of many awards and recognitions at National & International level. Life Science cluster departments equipped with world class infrastructural facilities prioritizes inculcating research, innovation and entrepreneurship skills in students to become responsible global citizens. Research, consultancy and commercialization of products form an integral part of various programs in collaboration with Research institutions, International Universities and Multinational companies. Visiting scientists, eminent speakers and outstanding alumni from life sciences cluster serve as excellent resource for the construction and dissemination of knowledge to the students and society.

CONFERENCE OVERVIEW

Global opportunities for innovations and advancements in Bioscience sector is constantly evolving and growing. Breakthrough technologies for creating sustainable livelihood and environment are the focus of bioscience industries and research. From advancements in medical therapeutics to progressions in environmental protection and sustainability, life science innovation has been a major driving force in the progress of 21st century.

The growth in life science innovation has been particularly remarkable and revolutionizing the bioscience industry through collaborative contribution by scientists, engineers, healthcare practitioners, business executives and academicians & has created solutions as processes, products, and services that help promote human well-being and foster global economic growth. The advances in biotechnology, nanotechnology and artificial intelligence are creating gamut of possibilities for the life sciences enabling more precise and effective solutions than ever before. This conference is designed to cover areas ranging from basic to applied research in life sciences, such as Neurobiology, Cancer Biology, Structural Biology and Bioinformatics, Genomics and Proteomics, Food and Nutrition Sciences, Environmental Sciences and Marine Biology, Disease Biology and Vaccine Approaches, Bioenergy, Biomaterials and Tissue Engineering, Stem Cell and Regenerative medicine, Pharmaceutical Science & Nanotechnology and Plant Molecular Biology. With the help of these powerful tools, the life sciences will continue to evolve and provide better livelihood and environment. Through this conference our mission is to elevate the knowledge and capabilities of professionals and researchers through our intellectually engaging sessions and contribute to the growth and advancement of related industries.

Keynote speakers of the conference comprise of accomplished international leaders and expert professionals who are dedicated to empowering professionals worldwide. The conference is provide a dynamic platform for researchers to share their findings on both national and international level.

CONFERENCE OBJECTIVES

The primary objective of this international conference is to provide an opportunity for academicians, industry experts, practitioners, professionals, researchers and policy makers from different fields to engage in discussions based on the constantly changing world of life sciences. As the influence of digital transformation, data science and disruptive thinking in life sciences has tremendously increased, this forum aims to congregate the intellectuals on one platform to share research ideas in biological sciences, and to understand, explore and disseminate the knowledge on latest inventions and technologies in life sciences. The conference will address many life sciences issues and focus on recent advancements in the field. The events aim to bring up all the latest problems, solutions and achievements in the field of life sciences.

THEME OF THE CONFERENCE

The conference will cover recent advances in the following areas:

- Biochemistry & Microbiology
- Pharmacology & Pharmaceutical chemistry
- Food Processing Technology
- Plant & Animal Biotechnology
- Genomics and Proteomics
- Biodiversity and its Conservation
- Environmental Toxicology & Risk Assessment
- Sustainable Health, Agriculture and Forestry
- Water resources and Waste Land Management
- Entrepreneurship & Product Development in Life sciences
- Computational Biology

CALL FOR PAPERS

The International conference organized by PSG College of Arts & Science is inviting scholars across various disciplines in the field of life sciences to submit and present their research papers/posters.

WHO SHALL ATTEND?

Academicians, Scientists, Research Scholars, Professionals, Industrialists, Doctors, Pharmacists, Healthcare practitioners, Dietitians and alternative Medicine practitioners, Undergraduate & Postgraduate students from any science and technology stream shall participate.

INSTRUCTIONS TO THE AUTHORS

For Abstract Submission

- The abstract should be within 250 words and the title should be relevant to the theme of conference.
- The abstract should contain the Details of Author and Co-author: Name, Designation, Institution, Email ID and Phone number.
- The abstract should be in the standard format using MS Word (Times New Roman, Font size:12, with 1.5 Line spacing)

For Poster Preparation

The size of the poster should be with a dimension of 4 ft (height-48 inches) x 3 ft (width-36 inches). Submit the abstract/poster to icrihbs2023@gmail.com

The scientific committee shall decide on the suitability of paper either for oral or poster presentation. Selected abstracts (Oral/poster) will be intimated through email. Each oral presentation is restricted to 10 minutes including discussion.

PUBLICATION

Selected papers will be published in SCOPUS indexed journal. Publication charges (if any) has to be paid by the author separately. Abstracts of accepted papers will be published in the Souvenir with ISBN number.

INTERNATIONAL SPEAKERS

Dr. Pariyaporn Itsaranuwat
Assistant Professor & Head
Department of Biotechnology
Faculty of Technology
Maharakham University
Maharakham Thailand

Dr. Chang Woo Ji
Research Professor
Chonnam National
University Yeosu
South Korea

Dr. Kalpani Ratnayake
Assistant Professor
Faculty of Health Sciences
CINEC Campus Colombo Sri Lanka

**Dr. Seralathan
Kamala Kannan**
Professor
Chonbuk National
University South Korea

Dr. Li Xinghui
Professor
Nanjing Agricultural University
Jiangsu, China

Dr. Lee Ching Li
Senior Lecturer
International Medical
University
Kuala Lumpur Malaysia

NATIONAL SPEAKERS

Dr. Ponmariappan Swamy
Scientist Defence Research &
Development Establishment
(DRDE-DRDO) Gwalior
Madhya Pradesh India

Dr. Naren Ramanan
Associate Professor
Centre for Neuroscience
Indian Institute of Science
(IISc), Bangalore

Dr. A. Arunachalam
Director Central Agroforestry
Research Institute
(ICAR-CARI) Jhansi U.P.

Prof. K Subramaniam
Professor
Department of Biotechnology,
IIT Madras, Chennai

Dr. R. Sureshkumar
Scientist-E National
Institute of Cancer
Prevention & Research
(ICMR-NICPR) Noida

Dr. S.P. Muthukumar
Senior Scientist
Central Food Technological
Research Institute
(CSIR-CFTRI) Mysore

ACCOMMODATION

Participants shall make their own arrangements for stay; however, accommodation assistance will be provided by the organizing committee on request basis. The registration fee does not include accommodation charges.

SPONSORSHIP AND ADVERTISEMENT

The opportunities exist for sponsors to showcase their latest products and technologies to a high focused audience. Interested Industries and Companies may contact the Organizing Secretary for further details.
