Conference on Applied Research

(CAR-26)

Date : 29.08.2026

Venue : PSG CARE Seminar Halls

About the Conference

Conference on Applied Research (CAR-26) organized by PSG CARE aims to contribute to the advancement of society and humanity by providing a platform for authors to connect and share their ideas. The conference will feature leading different research beginners from different domains of PSG Group of Higher educations to exchange and share their experiences and research results on all aspects of this Conference. The conference will also facilitate the exchange of knowledge and expertise in relevant fields, fostering the exploration of potential collaborations for future research endeavours.
